Before the claim can be settled and distributed, the Debtor must comply with all requirements for filing applications and motions for settlement with the Court as required by the Bankruptcy Code and Local Rules. These funds shall be treated as additional plan payments to increase the dividend for unsecured creditors or as the Court so otherwise orders. The Debtor's case will not complete until the claim has been settled and shall remain open for administration purposes until the claim has been paid into the plan or the Court so otherwise orders.

15. Casualty Loss Insurance Proceeds (Substitution of Collateral) - If a motor vehicle is substantially damaged while there is still an unpaid secured claim which is secured by the vehicle, the Debtor shall have the option, upon the filing of the appropriate motion, of using the proceeds of any insurance payable due to loss of the vehicle to either repair the vehicle, pay off the balance of the secured claim if the secured creditor is a named loss payee on the policy, or to substitute collateral by purchasing a replacement vehicle. If a replacement vehicle is purchased the vehicle will have a value not less than the balance of the unpaid secured claim and the lien of the creditor will be transferred to the replacement vehicle and the Trustee will continue to pay the allowed secured claim.

16. Utility Deposits – The plan provides adequate assurance of payment pursuant to 11 U.S.C. §366. Any utility requiring a security deposit shall forward written notice of the security deposit to the Debtor's counsel. The security deposit demand shall comply with PUCO requirements. No utility shall discontinue service to Debtors after filing of the petition for failure of the Debtors to pay a security deposit.

17. Tax Returns and Refunds – If Debtors are required to submit their Internal Revenue Service tax returns, debtors shall submit the returns to the Trustee by April 30th of each required year or notify the Trustee of any extension. Said refunds shall first be used to satisfy the secured and priority claims of the I.R.S. and then as additional plan payments to increase the dividend for unsecured creditors. Any Motions to Use Tax Proceeds shall be filed timely and prior to the Trustee's Motion to Dismiss for Failure by the Debtors to Turnover the Tax Returns or Refunds. Said motion shall be considered a modification to the confirmed plan and served accordingly.

18. PLAN FOR REAL ESTATE (Use separate schedule for each parcel of real estate)

NOTE: If the intent of the Debtor is to file an adversary proceeding to cram down a wholly unsecured junior mortgage, said adversary proceeding should be filed within thirty (30) days of confirmation and an objection to the Proof of Claim must also be filed to prevent the Trustee from paying on the claim.

(A) Post-petition changes in real estate mortgage payments – If the Trustee is to disburse mortgage payments on real estate, the holder of the mortgage SHALL FILE with the Clerk's Office, an Amended Proof of Claim or Notice of Payment Change for any changes in the required periodic mortgage payments during the life of the plan; and the plan will be deemed to thereby have been modified and the Trustee will disburse the mortgage payments according to the Amended Proof of Claim or Notice of Payment Change. The Mortgage Servicer, and/or assignee, shall timely file a Notice of Payment Change or Amended Proof of Claim that contains the calculation of the new payment, the new interest rate and the date of the payment change. Absent objection, and thirty days after the Notice of Intent to Pay Claim has been filed, the Trustee will modify the monthly plan payment in accordance with the Notice provided or Amended Proof of Claim.

(B) Any assessments, fees, costs, expenses or other monetary amounts, exclusive of principal, interest, taxes and insurance that arose from the date of the filing of the bankruptcy petition to the entry of the Order of Discharge assessed by any creditor against either the debtor or the real property of the debtor may be assessed, charged or collected only as allowed by an Order of the Court or an allowed Proof of Claim. The Mortgage Servicer, or Mortgage Claimant, shall perform an annual escrow analysis and shall file yearly a Notice of Payment Change with a copy of the escrow analysis showing the taxes and insurance paid for the prior year consistent with 12 U.S.C. §2609(c)(2)(A) and (B). Absent objection, and thirty days after the Notice of Intent to Pay Claim has been filed, the Trustee will modify the monthly plan payment in accordance with the Notice provided or Amended Proof of Claim.

(C) No late charges, fees or other monetary amounts shall be assessed on the timing of any payments made by the Trustee under the provisions of the Plan, unless allowed by Order of the Court.

(D) Valuation of real estate is set at confirmation unless the appraisal is not filed per L.B.R. 3015-3(e)(3). The confirmation hearing will include a §506(a) or B.R. 3012 valuation hearing if a creditor disputes the value and objects pursuant to the requirements of the Local Bankruptcy Rules. If no objection is timely filed, the value as set forth in the Chapter 13 Plan and/or filed Appraisal will be binding upon confirmation of the Chapter 13 Plan.

Other Remarks:

19. The Special Plan Provisions listed below, if any, are restricted to those items applicable to **Debtor's particular circumstances.** NOTE: Special Plan Provisions shall **NOT** contain a restatement of provisions of the Bankruptcy code or local or national rules of bankruptcy procedures, nor shall this section contain boilerplate language regarding the treatment of mortgages, mortgage arrearages, proofs of claim, consumer protection provisions or similar matters.

Special Plan Provisions:

Special Plan Provision for Second Mortgage

The second mortgage to Citifinancial, Attn: Bankruptcy, Dept, P.O. Box 140489, Irving, TX 75014-0489 encumbering the debtor's real estate located 1266 Jeanette Drive, Dayton, OH 45432 shall be treated as a fully unsecured class five claim. After the confirmation of the plan, the Debtors will file appropriate motions and adversary proceeding to remove this mortgage.

In accordance with 11 USC Sec. 506 there is no value to the secure creditor's interest in the subject collateral.

Further, in accordance with In Re. Lane, 280 F.3rd. 663, (6th Cir. Feb. 7, 2002), the holder of a wholly unsecured mortgage is not entitled to the protection of 11 USC 1322(b)(2).

Special Plan Provision for Best Interest Calculation

The Debtors have equity in the 1995 Chrysler LeBaron and Tools of Trade listed on Schedule B in the amount of \$10,475.00. The Debtors owe \$9,119.00 in priority taxes to the IRS and City of Kettering as listed on Schedule E of their petition. This would leave a difference of \$1,356 that would normally paid to the unsecured creditor pool. However, the Debtor Husband owes back child support in the amount of \$5,000.00. His monthly child support payment is normally \$276.00, however the State of Ohio is currently taking \$402.00 per month out of his check in an effort to catch up this arrearage. The Debtors propose to pay the \$1,356.00 towards the Debtor Husband's child support arrearage rather than the unsecured creditor pool because it has priority. This will yield a 0% dividend to the unsecured creditor pool, yet still meet best interest.

(a) ☐ If the debtor intends to surrender the real estate upon confirmation of this Plan, the Trustee is **NOT** to pay any mortgage or mortgage arrearages related to this real estate, nor pay any county real estate taxes on this property as the taxes will be paid at the foreclosure sale unless otherwise provided for in this Plan.

20. Method of Plan Payment – The Debtors acknowledge they have been informed that the Local Bankruptcy Rules require payments to be **MADE BY WAGE DEDUCTION** unless otherwise authorized by the Trustee or ordered by the Court. The Debtors acknowledge they are required to pay the first plan payment **to the Trustee's lockbox by the time of the Meeting of Creditors by Certified Check, Cashier's Check or Money Order** and to continue to pay the proposed plan payments until otherwise ordered by the Court or notified in writing by the Trustee. If the Debtor is employed and has sufficient wages, the wage deduction will

commence upon Court order. **It is understood by the Debtor that for any pay period when the plan payments are not deducted from the Debtors' wages that the Debtors shall pay the payment to the Trustee at his lockbox by Certified Check, Cashier's Check, or Money Order.**

\$ or % of the plan payment is to be deducted from the male Debtor's wages.

\$ or % of the plan payment is to be deducted from the female Debtor's wages.
